## Cancellation policy

### Right of cancellation

You have the right to cancel this contract within fourteen days without stating any reasons. The withdrawal period is fourteen days from the day on which you or a third party named by you, who is not the carrier, has taken possession of the goods. To exercise your right of withdrawal, you must inform us (Polownia Sp. z o.o.) of your decision to withdraw from this contract by means of a clear statement (e.g. a letter, fax or e-mail sent by post). You can use this model withdrawal form for this purpose, which is, however, not mandatory. In order to comply with the withdrawal period, it is sufficient that you send the notification of the exercise of the right of withdrawal before the expiry of the withdrawal period.

### Consequences of the cancellation

If you cancel this contract, we will reimburse you for all payments we have received from you, including delivery costs (with the exception of additional costs resulting from the fact that you have chosen a type of delivery other than the most favorable standard delivery offered by us), without undue delay and no later than within fourteen days from the day on which we received the notification of your cancellation of this contract. For this repayment, we will use the same means of payment that you used for the original transaction, unless expressly agreed otherwise with you; in no case will you be charged any fees because of this repayment.

We may refuse repayment until we have received the goods back or until you have provided proof that you have returned the goods, whichever is the earlier.

You must return the goods to us immediately and in any case no later than within fourteen days from the day on which you notify us of the cancellation of this contract. The deadline is met if you send the goods before the expiry of the period of fourteen days.

You shall bear the direct costs of returning the goods.

You will only have to pay for any loss in value of the goods if this loss in value is due to handling of the goods that is not necessary for testing the condition, properties and functioning of the goods.
